CGF Cup 2026

Aphrodite Hills

PLAYERS BRIEF

Ladies & Gentlemen,

Congratulations on your selection to represent your club for the 2026 edition of the CGF Cup.

Competition format is handicap-qualifying Stableford, off full handicap, from the Yellow Tees for Men and Red Tees for Ladies. The best six individual scores of each team will count.

Your Captain will register and pay for your team on the day and will hand you the Local Rules for the event along with your score cards. ***Please note ONLY the GROSS score of the Player you are marking***. Upon completion of your round, you must swiftly return back to the clubhouse and hand in their cards promptly at the scoring desk situated at the Pro Shop.

The course will be full so you must **play Ready Golf**, keep up your **pace of play** and **pick up** if you cannot score. Pace of Play has been set at **4:50** & will be monitored by the CGF and course marshals. If in doubt about a rule, play a second ball, continue playing and call the Referee for a ruling.

A buffet lunch and a drink will be available to you on completion of your round. A Food and Drink voucher will be given to you when you hand in your score card.

Good luck to all and enjoy your day.
