

Home Club Transfer Request

To facilitate the transfer of a Player's Handicap Record from their current Home Club to another affiliated club ("Destination Club"), the Cyprus Golf Federation requires the completion and submission of a **Home Club Transfer Request Form**.

The form must be completed in full, signed by both the Player and an authorised representative of the Destination Club, and submitted to the Federation by fax or email.

The Federation will only process transfer requests submitted on the prescribed form. Incomplete forms, unsigned forms, or forms that have not been duly authorised by both parties will be rejected.

The Federation will **not** accept verbal requests, requests submitted directly by Players, or any other form of transfer request that does not comply with the above procedure.
