*Officially Registered Disabled Competitors - The CGF will only consider requests for use of Motorised transportation during a walking only event from players holding a WRG4D Pass or other form of official disability (e.g. Blue Badge) and where the need for transportation results from the player's disability.

A player who will play, or has played, under penalty of Stroke and Distance is always authorised to ride on motorised transportation if this is available and does not delay play.

Buggies Allowed - The specific event Conditions of Entry clearly state when buggies are permitted.

11. Phones and Other Communication Devices

12. Spectators - When allowed by the Host Course

Spectators are observers only and must not walk in close proximity to players, must not communicate in any manner (verbally or signals) with them or interfere with any Officials performing their duties during the competition rounds.

They may hand food, drink and medication (including sunscreen and insect repellent) to the player only after completion of a hole.

A player must ask a Spectator giving advice to stop. Repeated advice from that same person means the player gets the general penalty.

Officials may need to clarify ball location and/or scores with a spectator.

13. Advice in Team Competitions (Rule 24.4)

Each team may name one advice giver whom players in the team may ask for advice and receive advice from during the round. A player's scorecard is officially returned to the Committee when the player has left the Scoring area with both feet.
